

Third Grade Curriculum

Hi, I'm Max. I'm here to talk about
BULLYING. Do you know what Bullying
is?

What is BULLYING?

How would
YOU define
bullying?

What is BULLYING?

Bullying is when someone is mean to another person **ON PURPOSE** and **MORE THAN ONCE**.

Bullying is also **NOT** equal between kids - the bully is being mean, and the target isn't mad at all.

Can BULLYING happen by accident?

No!
Bullying is done ON
PURPOSE.
Sometimes kids do
things that hurt
others by accident.

What if a bully just SAYS it was an accident, but it wasn't?

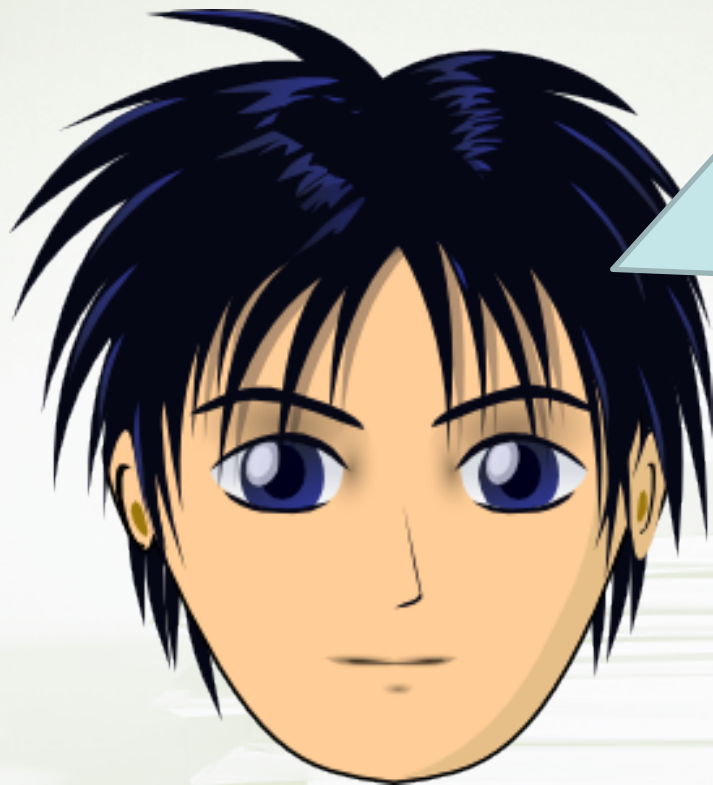

Does that
ever
happen?

What if a bully just SAYS it was an accident, but it wasn't?

It COULD be an accident. But if someone is mean to another kid more than once, it's probably not an accident.

What if it just happens once, and it's never happened before?

Bullying happens MORE than one time.

Sometimes kids get mad and say something mean, but they don't do it again. That's not the same as bullying.

What do you think - Is this BULLYING?

You
broke my
DS! I'm
mad at
you!

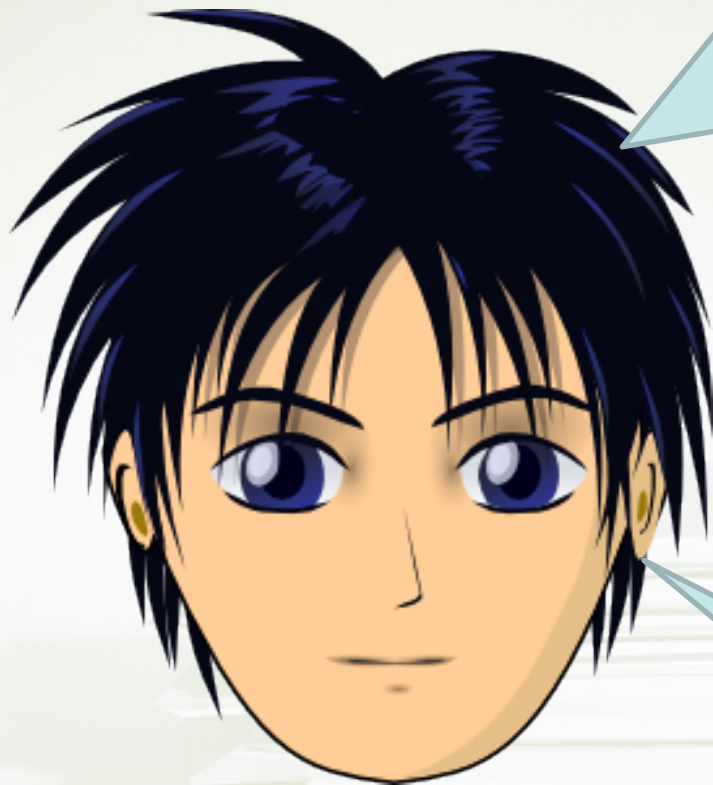

I didn't!
You're
always
blaming
me.

Was that
bullying?
Write down
your answer -
YES or NO

Let's see how much YOU know!

Did you write NO?
That was NOT
bullying. Both kids
were mad at each
other. One kid
wasn't being "picked
on."

If you wrote NO, give
yourself a Point!

Let's see how much YOU know!

Ready? Let's try
another one.

What do you think - Is this BULLYING?

Awesome
pillow
fight!
Take
that!

Ouch -
you hit
my nose!

Was that
bullying?
Write down
your answer -
YES or NO

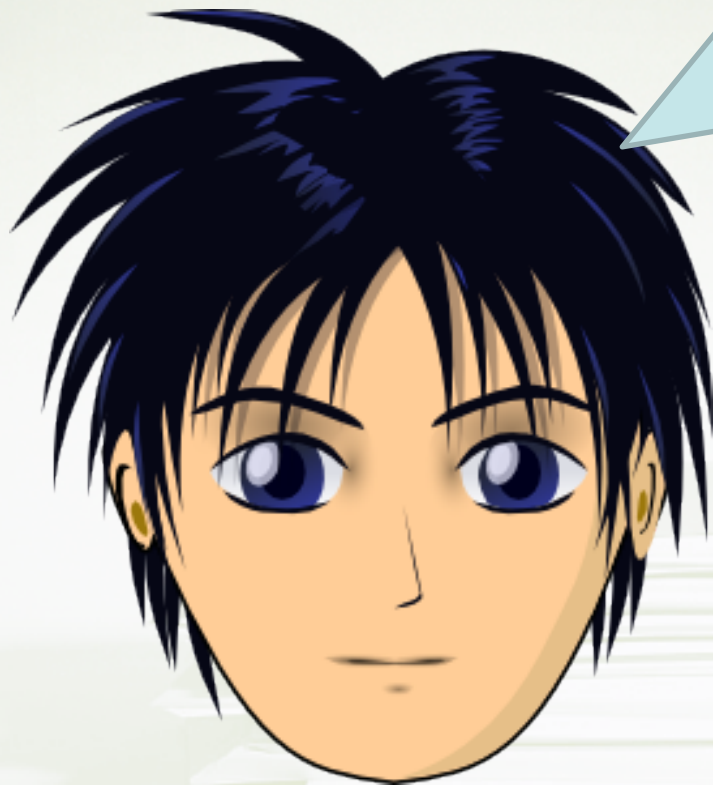

Let's see how much YOU know!

Once again, that was NOT bullying. They were having a pillow fight and someone got hurt - almost certainly by accident. She wasn't TRYING to be mean.

If you wrote NO, give yourself a Point!

Let's see how much YOU know!

Of course, if she was trying to hit her **MORE THAN ONE TIME**, then maybe it's **NOT** an accident. That does happen.

Let's see how much YOU know!

Ready? Let's try one more.

What do you think - Is this BULLYING?

Why don't you ever just leave me alone?

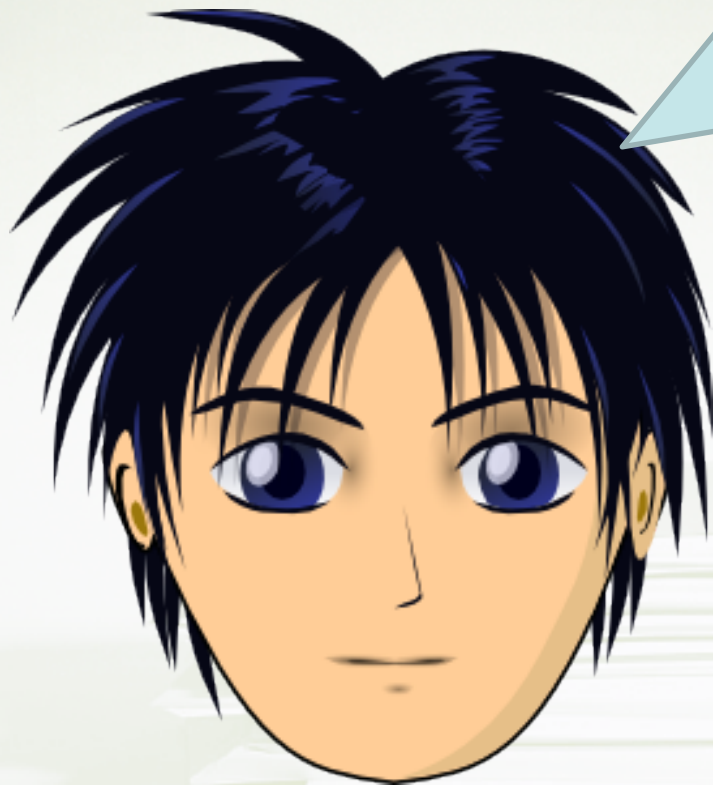

You are such a LOSER. Every day I make you cry!

Was that
bullying?
Write down
your answer -
YES or NO

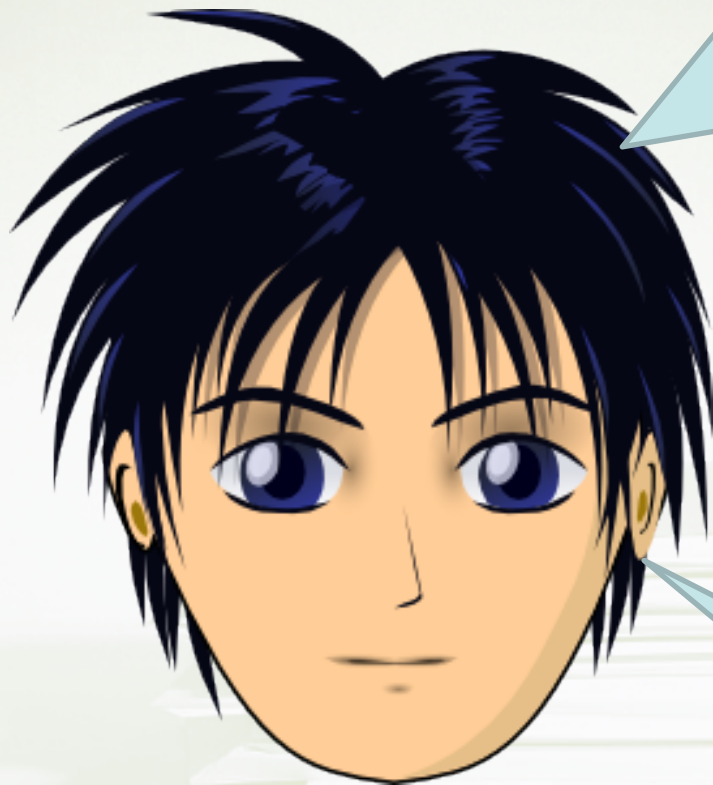

Let's see how much YOU know!

I bet you got this right - that WAS bullying.
Do you know WHY it was bullying?

Let's see how much YOU know!

It was Bullying because the bully was being mean on purpose, and not just one time. The target wasn't mad - he was sad and scared.

If you wrote YES, give yourself a Point!

Let's see how much YOU know!

How many of you got
all 3 points?

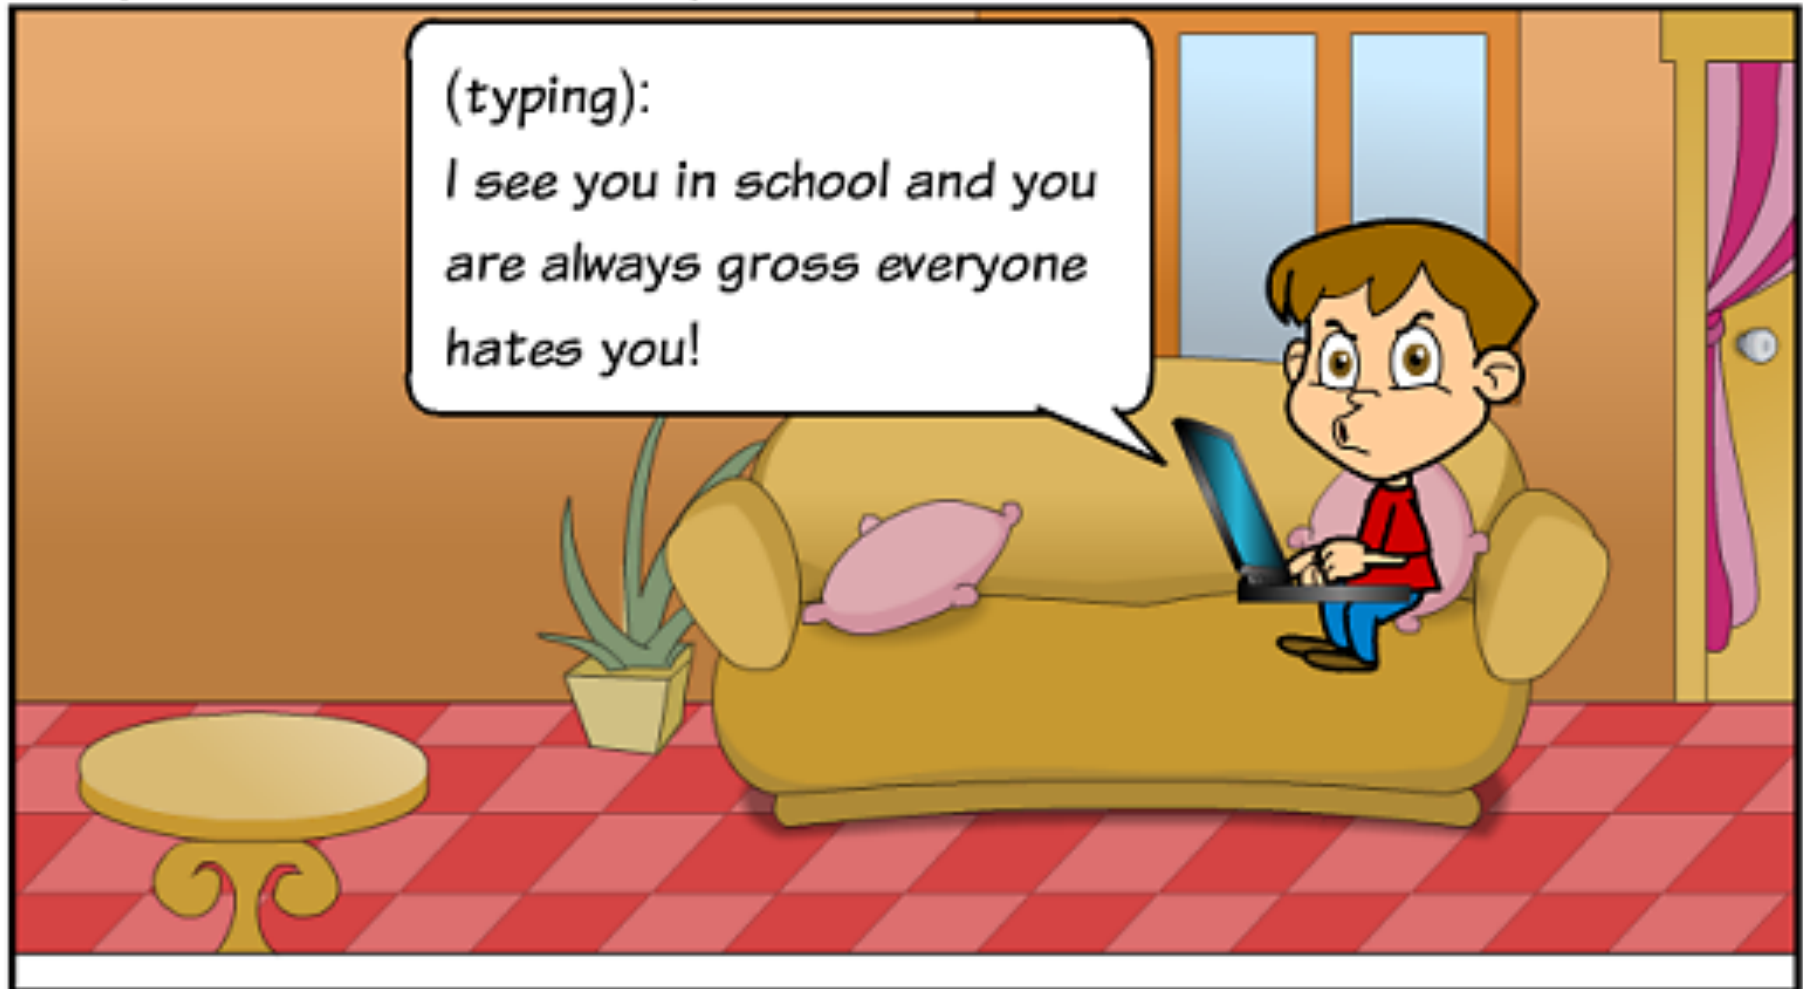

Raise your hands!
Awesome!

Don't forget....

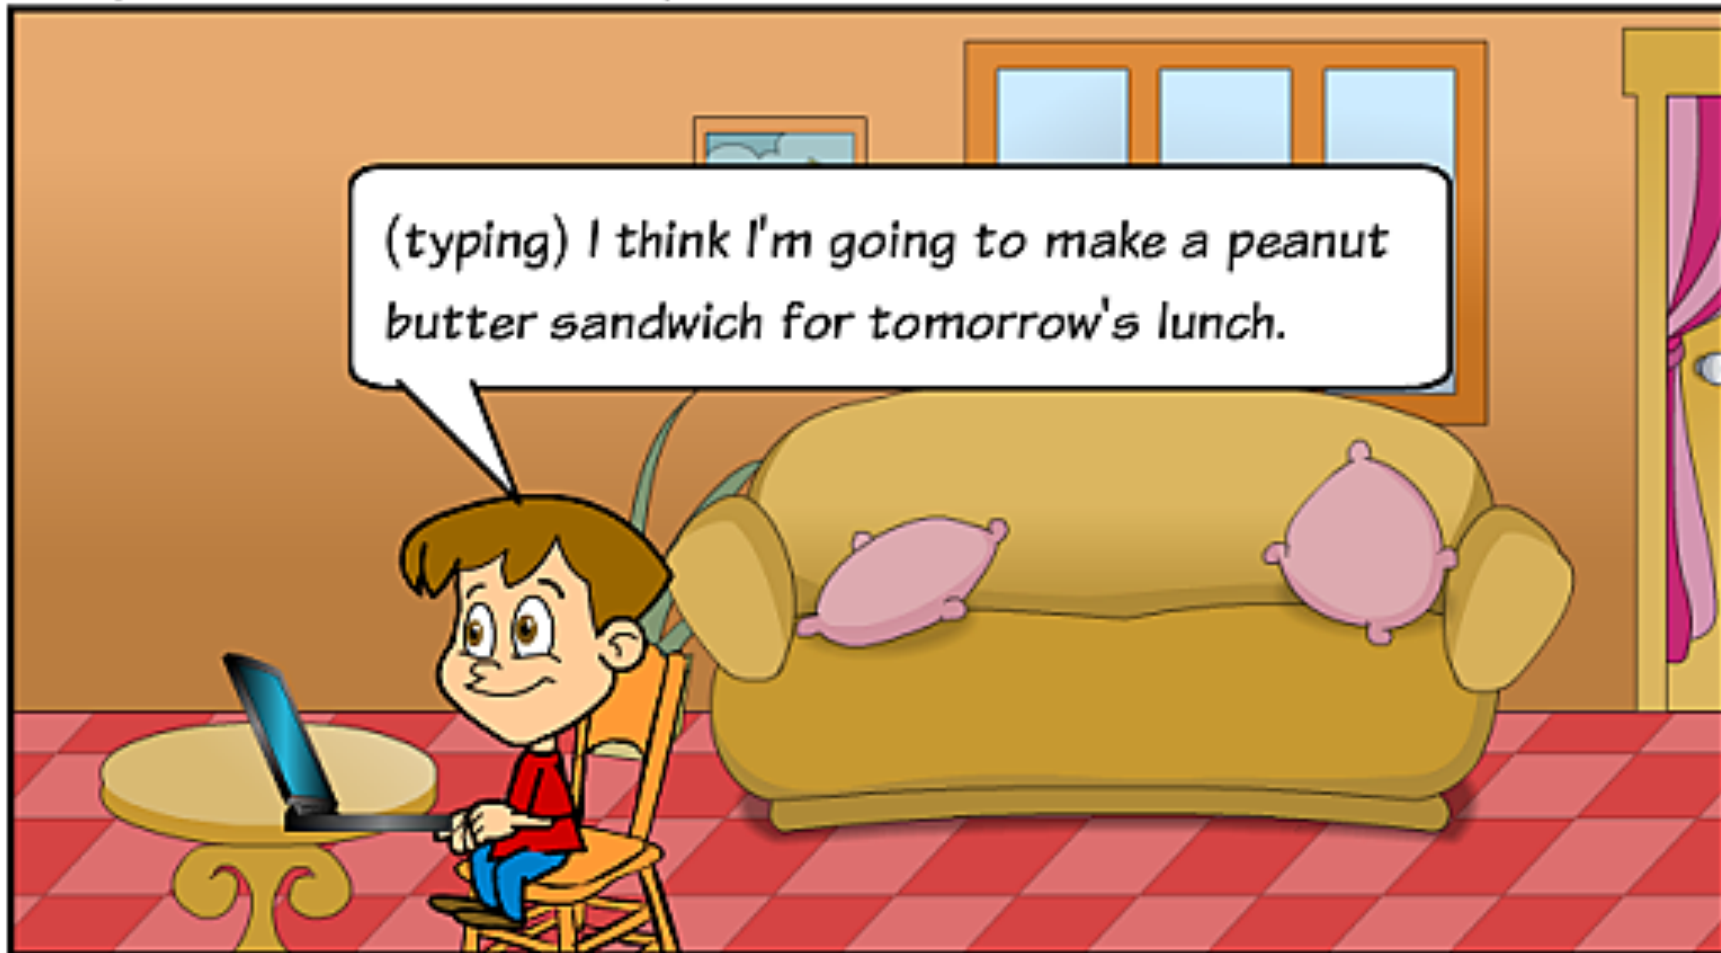

Not everything is
bullying.
When you do see
bullying, be a friend
and tell an adult.
Bye now!

(typing):
*I see you in school and you
are always gross everyone
hates you!*

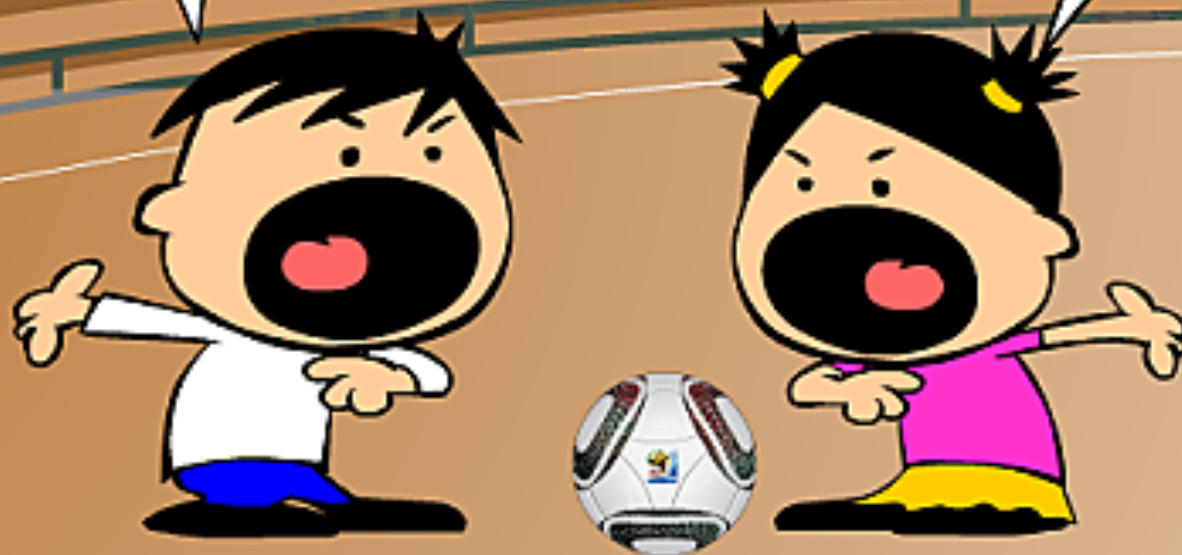

(typing) I think I'm going to make a peanut butter sandwich for tomorrow's lunch.

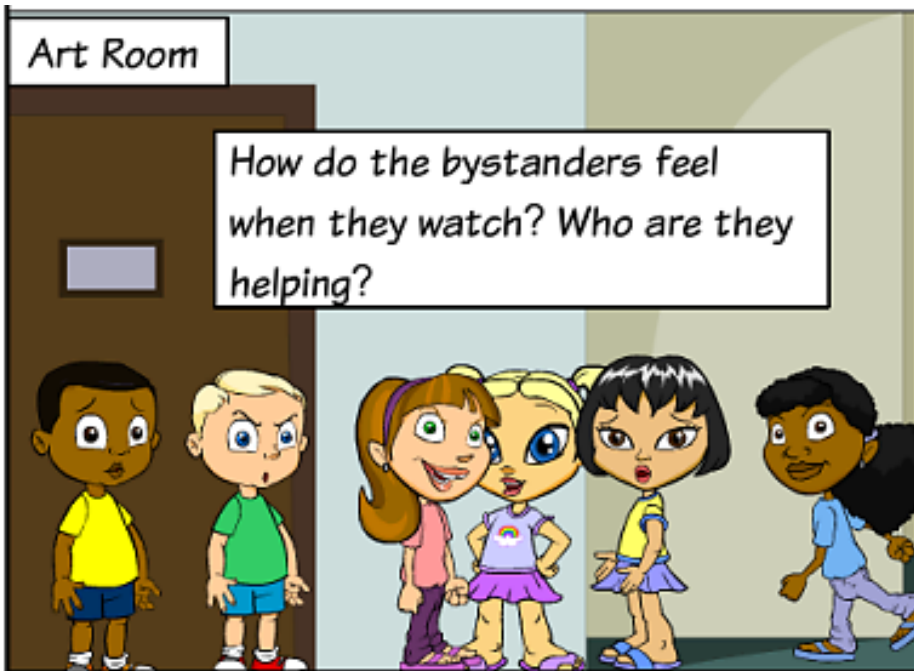

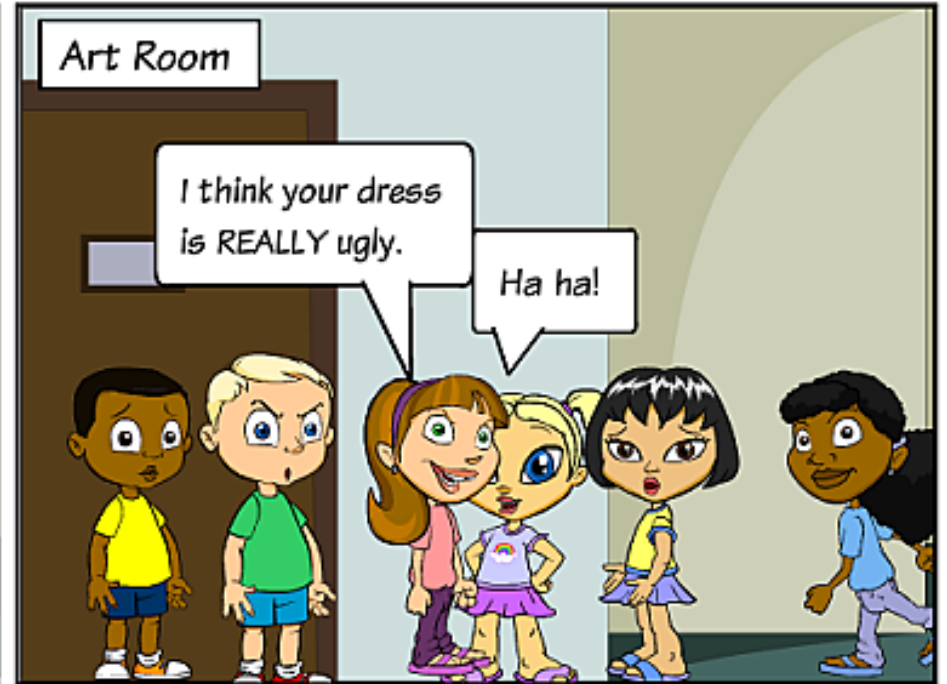

You're not supposed to touch the ball! You are going to lose us the game!

Get a life! It's just a game!

It was just a regular recess.

But then they started.

Loser incoming!

We don't play with losers.

I don't like it when they talk like that. But it's not safe to stay anything.

Just leave
him alone.

It's just on the computer.
It doesn't really matter.
He doesn't even go to our
school!

It could hurt
his feelings.

Nah, I don't care
anyway. Here I go!
Hee hee!
