FISCAL MANAGEMENT GOALS

The Board recognizes the importance of fiscal management in managing public resources to achieve the goals of the Goffstown School District. As trustees of local, state and federal funds allocated for public education, the Board will be vigilant in fulfilling its responsibilities to see that these funds are used wisely to achieve the purpose for which they are allocated.

The Goffstown School District's fiscal management plan shall be designed to achieve the following goals:

1. Engage in thorough advance planning to develop budgets and guide expenditures to achieve the greatest educational returns and the greatest contributions to the education program.
2. Establish levels of funding which will provide high quality education services of the Goffstown School District.
3. Use the best available techniques and processes for budget development and management.
4. Provide timely and appropriate information to the Board and all staff with fiscal management responsibilities.
5. Establish and implement efficient procedures for accounting, audit, risk management, investing, purchasing delivery, payroll, payment of vendors and contractors, and all other areas of fiscal management.
