

GOFFSTOWN SCHOOL DISTRICT**IKFA****EARLY GRADUATION**

The Goffstown School Board recognizes that students may accrue enough credits for early graduation prior to the completion of four academic years. Parental involvement for students under the age of 18 is required. The high school principal shall recommend to the Superintendent such requests if he/she determines that all state and local graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request. Upon recommendation by the high school principal, and approval by the Superintendent and completion of all state and local graduation requirements, the state minimum 4-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma.
