

RELEASED TIME FOR RELIGIOUS INSTRUCTION

Prior to the time of the first bell warning students to assemble in classrooms, in each of the Goffstown schools, upon student request, a room or rooms shall be made available for a period of up to 5 minutes for the free exercise of religion by students. Different rooms are to be made available to students of different religious persuasions except for the time and place, there shall be no regulation of this religious exercise, with the understanding that there must result no damage to school property or to personal property, and that there must result no danger or harm to any person. The only supervision will be to assure that no other persons interfere with this free exercise of religion.
