Respect ~ Responsibility ~ Pride

Dear Parents and Guardians,

As we turn the page and enter into February, I just wanted to highlight a couple important updates. First, our school community is proud to announce a great fundraising opportunity at Chipotle, sponsored by MVP. Chipotle is located at 99 S River Rd in Bedford, and will be held on Monday, February 1st between 4:00 and 8:00 PM. By bringing in the flyer (below), or providing a picture on your smartphone, you will not only be able to celebrate a wonderful meal, but will also help support the Mountain View Partnership with 33% of the proceeds going to our school.

I would also like to acknowledge our winter sports teams, who have done a tremendous job competing on the “floor” and “mats”. Not only have our teams and athletes competed well, but they have done so with pride, dignity, and respect. I applaud their efforts, regardless of what the scoreboard says, when the final whistle blows. I would also like to extend my gratitude and appreciation to our parents and fans, who have respectfully complied with our safety protocols during these events.

Lastly, I would like to remind all parents/guardians and students of the expectation that students attend all scheduled Friday Zoom sessions. And as always, please reach out to your student’s teacher, in advance, if your child will be unable to attend.

Sincerely,

*Wendy Kohler
Principal*

Fully Remote Students in Grade 7 and Grade 8

Please make sure your student repeatedly checks their email/Google Classroom for the links to our 'live' instruction for social studies, language arts, grade level math and science each week. All students learning in a fully remote learning environment are offered two live instructional blocks beyond their "team" Friday Zoom sessions. Please make sure your student makes every effort to attend!

Attendance Phone Calls

Please remember to call the MVMS absence line (497-8288 and when prompted press 2) if your child will not be attending their scheduled in-person day prior to 8:15.

Students who are accessing their learning in a fully remote learning environment, who will not be attending, should also be called into the absence line as well.

School Picture Pick-Up

As a friendly reminder to all parents of students who are accessing a remote only environment – we still have a fair amount of school pictures that were ordered and are waiting to be picked up in the front office. Please stop by MVMS anytime between 8:30-4:00 to pick them up!

8th Grade Baby Photos (PAWS Pride)

Calling all 8th grade parents! We still have room in our 2021 MVMS Yearbook for "8th Grade Baby Ad" photo submissions. You will need to submit a baby picture with your child's first and last name on the back, a message addressed to your 8th grader, and the \$14 check or cash. Please include a self-stamped envelope if you would like the picture returned to you. Fill out the Baby Ad form on the following page to make your photo submission. FINAL DEADLINE is now extended until February 5, 2021.

Eighth Grade Parent(s),

Looking for a creative way to tell your child, "I love you and I'm proud of you"?

Place a recognition ad in the yearbook.

A recognition ad is always a great idea. In the future, seeing your message will bring a smile as students remember your love and support during these important years. It's easy to create a recognition ad. Just send us your favorite baby photo and compose your message. **You must have your son/daughter's name on the back of the picture. Please supply a self-addressed stamped envelope if you would like the photo returned in June 2021.**

We will try to keep the ad a secret until the yearbook is distributed. If your son or daughter is on the yearbook staff this may not be possible.

Reserve a space for your recognition ad today. Like the yearbook, your message will be a permanent memory.

Thank you!

Sincerely,
The Yearbook Staff

Health Corner

Dear Parents and Guardians:

The COVID-19 pandemic continues to impact every aspect of our lives and the MVMS nurses would like to provide you with some additional information to keep your family and our school community safe and healthy as now that we have returned from vacation. In order to ensure our schools stay open, and our students stay well, we continue to ask that all students, parents, and staff remain diligent in adhering to the SAU 19 COVID-19 guidelines (see attached). Below are some reminders for everyone to keep in mind as we embark on vacation week.

- Social distancing, the use of cloth face coverings, monitoring for symptoms, and avoiding those who are sick are still important public health measures that we should all be following both in school or out.
- If any of your family members develop symptoms of COVID-19, even mild, call your PCP and seek COVID-19 testing.
- Travel outside of New England carries an increased risk for contracting COVID-19, all students who travel outside of New England will be required to quarantine for 10 days upon return home and may not attend school.
- If your child has had close contact with someone diagnosed with COVID-19 they must quarantine for 10 days after the last exposure to that person and may not attend school.
- If a household member has been diagnosed with COVID-19 (parent, sibling) your child must remain in quarantine for an additional 10 days after the infected person has completed their 10 days of isolation and they may not attend school.
- Although persons may be released from quarantine after 10 days, COVID-19 has an incubation period of 2-14 days, your child could still become symptomatic and spread the virus for up to 14 days after exposure. It is important to monitor for symptoms of COVID-19 for a full 14 days after exposure and seek testing if symptoms develop.
- If you attend gatherings with persons outside of your immediate household you significantly increase the risk for COVID-19 exposure, these types of gatherings are strongly discouraged by public health officials.
- Prior to sending your child to school each morning please assess your child for COVID-19 symptoms and consider your child's COVID-19 exposure risk, if you are questioning sending your child to school please call the MVMS nurses and we can assist you.
- As always, if your child presents to school with any complaints of illness, they will be sent home and be required to isolate for 10 days or seek COVID-19 testing.

The MVMS nurses truly appreciate all of your continued cooperation as we navigate this pandemic. We are here as a resource for you and your family and encourage you to reach out with any questions or concerns.
